

## Mission of C.S.C.

- ★ Cool Science Club allows students to become excited about science as they apply scientific thinking to real-life situations.
- ★ Cool Science Club develops a community of scientific learners who enjoy working as a team of detectives to solve the mystery.
- ★ Cool Science Club detectives are curious and eager to make sense of what they observe.
- ★ Cool Science Club has developed a technology aspect allowing detectives to solve a mystery online.
- ★ Cool Science Club invites experts to share scientific hands-on activities with the detectives.
